## >>>> **COMMUNITY ALERT** <<<<

August 5, 2008

We are sending out this special advisory to make homeowners aware of some recent criminal activity within the community. It has been reported to our offices that at least one car has been vandalized and broken into and a home has been burglarized on Blue Trinity. It was felt that all residents should be made aware of these incidents.

In recent conversations with local Police authorities, they have made the following suggestions to help curtail this type of activity:

- Keep vehicle and dwelling doors locked at all times
- Park vehicles in the garage if possible, not in the street or driveway
- Keep garage doors closed at all times
- Don't leave your garage door opener in vehicles that are parked outside
- Remove any valuables from sight
- Keep outside lights illuminated at night to deter criminals
- Install a monitored alarm systems (vehicle/dwelling) if financially able
- Institute a neighborhood watch program and encourage residents to take C.O.P.  
– Volunteer for the Safety Committee; visit our web site to volunteer.

These are just a few suggestions for all to consider, helping make us better prepared in the future. For other tips in crime prevention please visit the San Antonio Police Department web site at [www.sanantonio.gov/sapd/crimeprevention.asp](http://www.sanantonio.gov/sapd/crimeprevention.asp).

Our intent by way of this letter is to raise the awareness of the community so that we can all be vigilant in our efforts to curtail criminal activity within the community. Please remember to report any suspicious activity to the Local Police Department, San Antonio Police Department (210-207-SAPD) and/or Bexar County Sheriff (210-335-6000). Working together we can dissuade these undesirable individuals from returning to Woodview at Bulverde Creek.

For the Association,

Greg Heaton  
Association Administrator
